## Resolution 2011-2

### A RESOLUTION OF THE UNITED FISHERMEN OF ALASKA SUPPORTING THE REESTABLISHMENT OF AN ALASKA COASTAL MANAGEMENT PROGRAM

WHEREAS, Alaska is the only coastal state without a coastal management program.

WHEREAS, the ACMP has been an effective program for local, state and federal agencies to develop measures that protect coastal habitats; and

WHEREAS, the ACMP supports creation of local coastal management plans that identify significant habitat, including fish habitat; and

WHEREAS, the ACMP has provided Alaskans an efficient forum to participate in coastal planning and provide comments on development projects; and

WHEREAS, Alaska has over half of the Nation's tidal shoreline; and

WHEREAS, commercial fisheries provide a significant part of Alaska's economy and productive habitats are necessary to sustain those fisheries;

THEREFORE BE IT RESOLVED, that United Fishermen of Alaska supports reestablishment of an Alaska Coastal Management Program.

By UFA Board of Directors, October 26, 2011:

Arni Thomson, UFA President
